Superintendent's Highlights

Blaine County School District has enjoyed a very successful school year. ITBS scores remained solid while we implemented NWEA's Levels Testing program for grades 2-12.

Research was conducted on the Neighborhood School concept with the decision to make all elementary schools in the District K-5 by 2005. Other elementary improvements included an Accelerated Math pilot and Attendance Court initiated with the local Magistrate presiding.

Secondary accomplishments were the establishment of a Performing Arts Academy to compliment the Academies of Finance and Information Technology, piloted virtual (online) high school courses, implemented exit surveys for seniors and graduate follow-up surveys for former students, and awarded Idaho School of Merit status for both Wood River Middle School and Wood River High School with Wood River High School elevated to Exemplary School status for its Academy programs.
